# Now you do!

"Oh yeah! With me you go, fields of Soria,  
You have touched my soul,  
Or were you already at the bottom of it? "

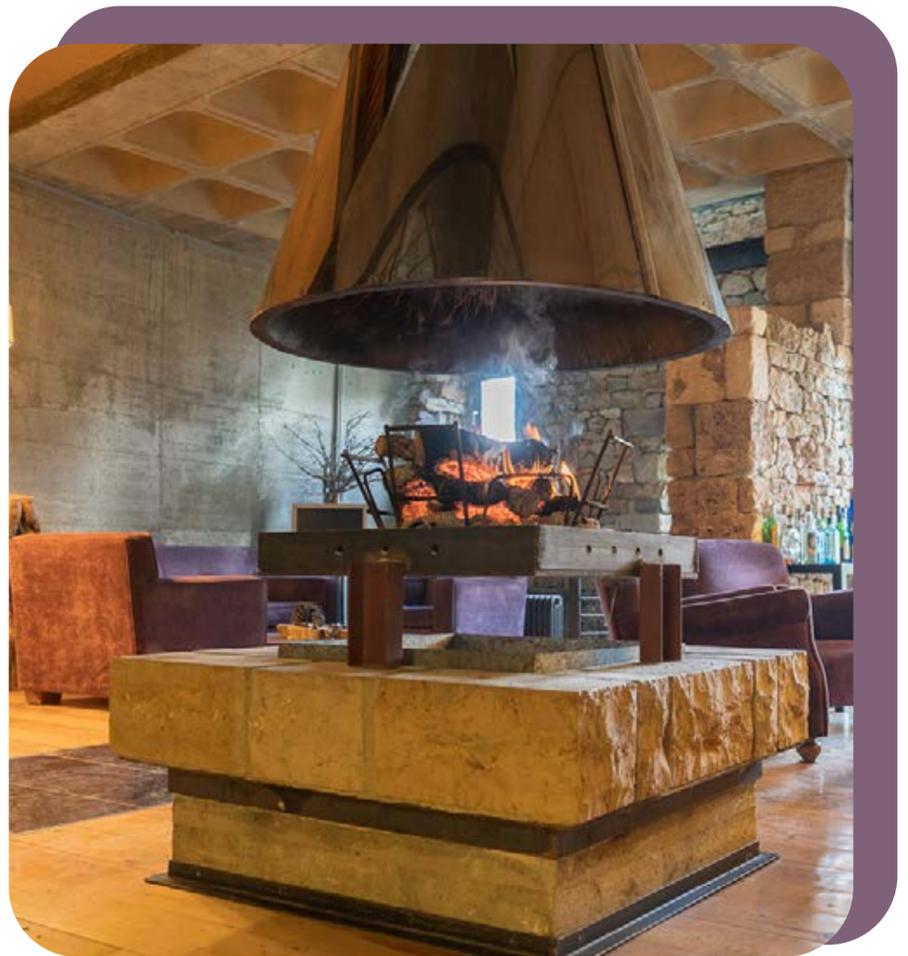

Campos de Soria  
- Antonio Machado

Imagine that you walk through a medieval town that looks like something out of a gentlemen's movie and you open a door of one of the houses to take yourself back in time and appear in a New York loft in the heart of Manhattan. That's possible? Yes, that is LaCalata. The fusion between respect and admiration for history, culture and tradition with modernity, style and high quality service typical of a big city. All this surrounded by nature, respect for animals, sports, meditation ... Welcome to LaCalata ... breathe deeply and enjoy.

LaCalata is surrounded by nature and wonderful places to enjoy it and breathe fresh air. From the canyon that borders the town and from which you can see the flight of vultures, to places as magical as the Fuentona or the Sabinar.

Nearby you can visit places such as La Laguna Negra, Urbión Peak, Lobos River Canyon, Pita Beach, Sierra Cebollera ... walking through nature transmits tranquility, peace and makes us return to our essence, that which we forget so much in our unbridled rhythms of day to day.

## Activities

To do

We provide you with links to some routes in the area that you can miss, Soria surprises, and a lot.

The closest thing is La Fuentona, an almost obligatory visit, it can be accessed very easily by car.

Also very close, is the Sabinar, it is a meadow of protected Sabinas where you can only hear the birds singing, it is a very quiet place to take a walk and it is very close, it is also easily reached by car.

And of course, the Cañon del Rio Lobos, where you can visit the Hermitage of San Bartolomé and the Mirador de la Galiana.

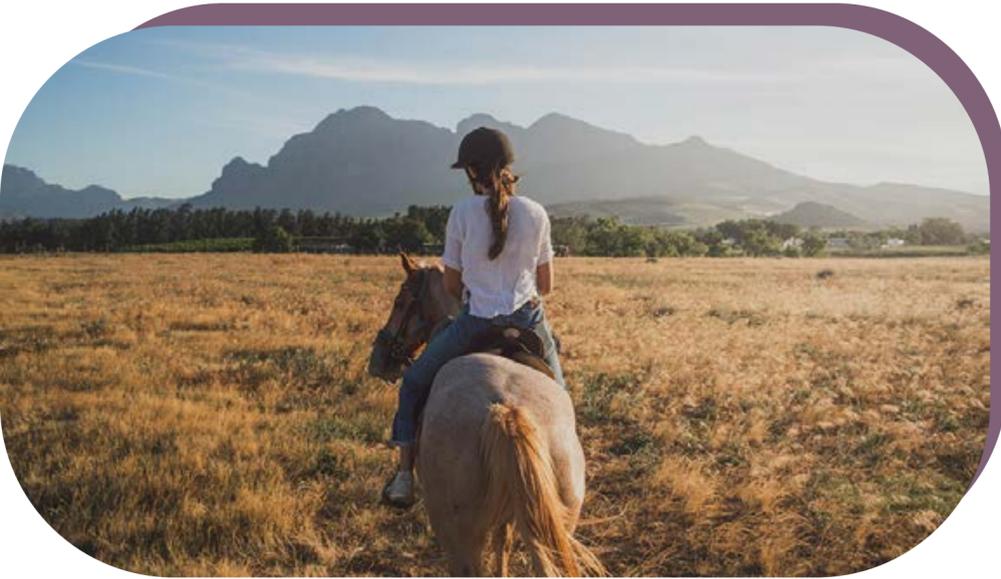

Other incredible places are: La Laguna Negra, Sierra Cebollera, La Playa Pita.

And if you do not want to move from the town, there is a walk you can do: when you go out to the balcony of the house you will see in front of the river canyon, the views of the town from there are impressive and the walk is very pleasant.

# OUR RECOMMENDATIONS

From La Calata we offer you some activities so that you can enjoy Calatañazor to the fullest.

If you like adventure activities, these companies in the area have all kinds of excursions, zip lines, horse riding, etc:

- Block Garel
- Vinues Adventure
- Soria Adventure

Another different activity that we propose is a ceramic workshop. In a town that is very close, Pilar is a lady who has a wonderful ceramics workshop, even talking to her before she can give a pottery class in the morning, where you would learn some basic notions and make your own poster or plate, she for I would cook it in the afternoon and the next day you would have it ready so that you can take it home. If you are interested, tell us to talk with her.
